UFBA EXECUTIVE VOTE TO DOUBLE ALLOWANCES FOR PRESIDENT'S WIFE

The UFBA Executive have recently voted at a closed-doors meeting to double the annual allowance paid to the President's wife.

This tax-free allowance has been set at \$4000 (four thousand) dollars per year.

Because UFBA executive minutes are not available to members this is the first public disclosure.

VollyNet Reports understands that the UFBA Executive made this secret decision immediately BEFORE the recent Dunedin conference, yet made no effort to inform the membership.
